7/29/2019	Monday	12:00 - 9:00 PM	Marching Band Camp	<p>Marching Band Camp is the largest block of time the band has throughout the season, and is by far the most important. Students learn an entire 7-8 minute show during this two week period. Concert tickets, parties, and other 'normal' occurrences are not reasons to miss marching band camp. Family vacations are to be avoided if at all possible. Students who miss marching band camp are at a severe disadvantage and are required to spend additional time outside of rehearsal to catch up. Students that cannot attend both weeks of camp will not have a spot on the field and will need to learn a new instrument in the front ensemble. In previous years, students who significant portions of marching band camp missed more than half the season's performances trying to catch up.</p>
